TURN THE KEY, BE IDLE FREE!

Sprague doesn't idle! Thanks for turning your car off while you wait.

SECONDS of idling wastes more fuel than restarting the engine.

hazardous air pollutants are emitted from engine exhaust.

2X FASTER DRIVING warms up your car than IDLING on a cold day.

CHILDREN...
• have still developing respiratory systems

• breathe **50% more air** per pound of body weight than adults
• are closer to exhaust tailpipes

5 MINUTES is the legal limit on idling before violating Massachusetts state law. (MGL, Chapter 90, 16A)

Outdoor air pollution is one of the 8 leading triggers of **asthma attacks** according to the CDC.
